TILLING THE SOIL

Read Matthew 13: 1-23

Pray out of the insights you receive from this scripture.

- Pray for **protection for disciples** from the sleepiness of the west, the many distraction, allures of wealth and worries of the world; ask God for **spiritual alertness**, and for them to **seek after the Kingdom** above all else.
- Pray God would raise up faithful men and women who would obey what the Spirit reveals to them in the Word and they would be abundant 'seed sowers', sharing widely seeds of the Kingdom; that they would find many people who are 'good soil' and become multiplying disciples.

DREAM WITH THE LORD

**Take some time to meditate on this beautiful image and read the discription below written by a dear sister.
Pray out of this over Afghanistan.**

Hope4Afghans

The picture shows the vision for Afghanistan and Afghans.

In the natural we see the country of Afghanistan – Bamyian, the nature park – with the high mountains behind. The young Afghan boy keeps a kite in his hand – this kite has the same natural colours as the earth. The kite is the symbol for the culture and the people of Afghanistan. The heavens above are very great – it represents the presence of God and his glory in the colours of violet and gold. The heaven is open over Afghanistan. There are butterflies flying into the heavens –they are born out of the kite. These refer to Afghans who are born again – coming out of the natural into the heavenly form.

This is the vision – the transformation of the people and country of Afghanistan!

This vision is hold by an afghan boy (not by foreigner) – a child of God. He wears yellow clothes – the colour of light, he IS light. The Heavenly Father or Jesus is supporting him, strengthening his back. He wears the same glorified colour of violet. Before them is a ripe field of wheat – as Jesus said: The harvest is ripe ... but ask the Father for workers for the harvest!

So, the instrument to harvest lies at the bottom before the field – not yet used. Who will take it in his hand and fulfill the mission

THANK GOD

*Thank God for **Afghan disciplemakers & movement leaders** who are already faithfully making disciples, raising up more workers and who are carrying God's Kingdom vision for Afghans.*

Speak encouragement, protection and blessing over them in Jesus name!
